

X-Type Banner Stand; **XBAN-F & XBAN-F2**

The X-Banner F & F2 are highly adjustable stands for banners with grommets. Telescoping aluminum and fiberglass arms, and a strong PVC hub with locking gears support a wide range of banner sizes. The back support pole also adjusts to change the display angle. The F2 supports a full 4'x8' banner, the largest in its class. It comes with a deluxe zippered carrying case. Case qty: 10.
